

Penalva, N., Flynn, J. M., Hernandez, E., & Nieves, J. (2024). Study of new physics effects in $(B)\overline{D_s^*} \rightarrow \ell^+ D_s^{(*)} \ell^- (\hat{1/2})\overline{\ell}$, semileptonic decays using lattice QCD form factors and heavy quark effective theory. *J. High Energy Phys.*, 01(1), 163–33pp.
